Organization Description	Internship Opportunities
<p>Community Transformation Foundation Network (COTFONE) COTFONE is a registered charity that focuses on improving the lives of marginalized populations targeting orphaned and vulnerable children (OVCs) below the age of 17 in the Masaka district. By developing community-based initiatives, this organization works to address the basic unmet needs of underprivileged children & their families.</p>	<p>Youth Skill-Building & Education Intern: COTFONE is seeking an intern that would focus on educating children affected/infected with HIV/AIDS that lack access to a complete and safe education. The intern will help the orphans and vulnerable children (OVC) gain the knowledge, life skills, technical and vocational training and attitudes needed to achieve their potential and secure their future.</p> <p>Community Health Intern: COTFONE is seeking an intern that will have an active and meaningful participation of the target communities in promoting their own health. This intern will identify community-based prevention programs that can improve basic health care and lower its costs. Additionally, the intern will strive to raise public awareness and building leadership capacities by organizing trainings for OVCs and marginalized groups focused on their needs; as well as for people holding leadership positions to enable them to develop capacities of influencing pro-poor decisions.</p> <p>Advocacy & Livelihoods Outreach Intern: COTFONE is seeking an intern that would integrate at the ground level with an inclusive and just community that provides equal livelihood opportunities and improved quality of life for all, particularly the chronically poor and marginalized OVCs. The intern would work on creating/asserting a Community-wide Commitment for reducing chronic poverty in the target community as well as working towards reducing the level of discrimination and exclusion for OVCs and marginalized groups. The intern should be knowledgeable/interested in advocacy and policy engagement.</p> <p>Capacity-Building & Partnership Development Intern: COTFONE is seeking an intern that will focus on promoting development issues particularly those affecting the wellbeing of the chronically poor and marginalized especially OVCs in the Masaka District. Partnership development is key for COTFONE MASAKA because the problems that are addressing are too immense to be handled by one organization; so therefore, this intern would need to observe for effective partnership management, various skills, and practices that are crucial and/or lacking within COTFONE MASAKA.</p> <p>The internship descriptions above with COTFONE MASAKA will also include being involved in the following: Evaluate the current program to assess needs and resources; Assist in strategic planning and program development; Participate in grant writing and fundraising process to acquire more program resources and equipment; Promote knowledge</p>

	<p>and technical skill to target populations; Facilitate apprenticeship programs to build capacity; other work assigned by the supervisor.</p>
<p>Kitovu Mobile AIDS Organization Kitovu Mobile aims to create an empowered community with the ability to cope with HIV/AIDS and its impact. To improve the quality of life of people affected by HIV and AIDS, Kitovu Mobile works with communities in the areas of prevention, care, support and capacity building.</p>	<p>HIV/AIDS Intern: Kitovu Mobile seeks an intern for its Orphans' program that would work directly with people living with HIV/AIDS (PLWHAs) by creating a model sustainable income-generating activity as well as bringing support to those affected/infected by HIV through Human-Capacity building. In addition, the intern would also hold a session to sensitize the group he/she is assigned to on the basic facts of HIV/AIDS, behavior change, family planning, home-based care, and will making.</p> <p>Community Empowerment/Development Intern: Kitovu Mobile seeks an intern who can act as a facilitator between different community groups and has experience with raising funds for health & services. This is a process where the intern would bring community members together to take collective action and generate solutions to common problems. Furthermore, the intern would assist the staff by identifying areas of need within the Mobile Young Farmers Group (MYFG) and Self Help Groups (SHG) and develop trainings to target those needs.</p> <p>Youth & Education Intern: Kitovu Mobile is seeking an intern who would work with affected/infected children with the goal of helping these children live normal lives as much as possible. With the help of a supervisor, this intern would be responsible for conducting home-based visits to assess the needs of Other Vulnerable Children (OVCs), lead seminars with guardians to highlight the needs of children, and develop activities for OVCs to enhance their education and integration into society.</p>
