Organization Description	Internship Opportunities
<p>Fundación Nutrir Fundación Nutrir Salta is an integrated social center ensuring the care of at-risk children and their families in all aspects of their lives. Specifically, the foundation combats infant malnutrition by supplying food and educating families on proper preparation; building positive home environments, creating dignity and self-esteem in mothers; providing workshops to mothers and a community garden to children; emphasizing knowledge transfer between generations; and providing spiritual guidance.</p>	<p>Monitoring & Evaluation Intern Through its programs, Fundacion Nutrir supports at-risk children and their families by combating infant malnutrition and building positive home environments. Currently, Foundation Nutrir is seeking an intern to help support in monitoring their current programs and support in data analysis, customer care, and administration at the headquarters in Salta, Argentina. Intermediate level of Spanish required.</p>
<p>Fundación Alfarcito Fundación Alfarcito is made up of resident volunteers of the Quebrada del Toro, Salta, San Lorenzo, Rosario de Lerma, and Campo Quijano with the mission of discovering, evaluating, and sustainably developing the latent capabilities of the people and communities who live in the hills of Roasario de Lerma. Alfarcito collaborates with residents to assess the tools available and actions needed to strengthen education, training, and the entrepreneurial potential of the region.</p>	<p>Education Intern Fundación Alfarcito is seeking an education intern to help support educational projects focused on sustainable tourism. Since tourism is a growing sector in Salta, many small communities are trying to stimulate local economies through sustainable tourism. The intern will have the chance to work with diverse sets of people and travel to rural areas of Salta. Intermediate level of Spanish required.</p>
<p>ADRA ADRA works with people suffering from poverty and distress to create just and sustainable change through strategic alliances and empowering through responsible actions.</p>	<p>Project Management Intern Working in the urban sectors of Salta, ADRA is looking for an intern to help support and develop staff and volunteer trainings in order to build their capacity in administration and project management. The intern will have the opportunity to design and implement the trainings in order to insure a high level of effectiveness on the ground. Intermediate level of Spanish required</p>
<p>MAGIS MAGIS is an NGO with the objective of working with the research and promotion</p>	<p>Marketing Intern MAGIS works supporting small scale entrepreneurs and cooperatives and would like an intern to support these organizations in strategic</p>

<p>of the economic, social and cultural development; the human development specially. It promotes the continuous training of its members and the community members as well, to achieve the transference of knowledge, the exchange with similar organizations and the dissemination of its actions and thoughts.</p> <p>The Association acts as the channel of all the concerns and group and individual efforts, enmeshed in a participatory and supportive work, its actions are orientated to the unemployed, underemployed, informal workers from urban and rural areas, outcasts, aboriginal communities and neighborhood associations among others. Most of this people belong to cooperatives or are individual entrepreneurs.</p>	<p>marketing, branding, and communication strategies. The small entrepreneurs and NGO's that MAGIS supports need an intern to help in product positioning and brand image design. Intermediate level of Spanish required.</p>
<p>OAJNU (Organización Argentina de jóvenes para las Naciones Unidas)</p> <p>The energy and dynamism of OAJNU's young volunteers distinguish them from any other organization. They are more than 300 volunteers between the ages of 16 and 30 years, hailing from various parts of Argentina. Their volunteers are empowered by their peers, other young people who engage in activities to increase their spiritual, political and social strength in order create positive change, developing confidence in their own abilities. Through the hard work of our volunteers, OAJNU is able to carry out numerous projects and activities, involving over 80,000 young people from different provinces and abroad. OAJNU seeks to build an ever more inclusive society, in which all members of society participate equally in different areas: education, economic, legal, political, cultural, etc.</p>	<p>Political Science and Education Intern</p> <p>OAJNU promotes democratic rights and works to develop the conditions of an ideal society, in which citizens can fully exercise these rights. OAJNU focuses on public education and social development as paradigms for the effective realization of these rights. The learning process and at the heart of OAJNU's mission and continues to guide its work. This year OAJNU has 10 ongoing projects that interns can help support. One main focus would be working with educational projects in schools, helping students understand cultural responsibility and citizenship. Intermediate level of Spanish required.</p>

<p>FUNDARA The Foundation for Analysis and Reflection Argentina (FUNDARA) is a private, nonprofit research and studies organization that promotes socioeconomic reality of the regions of the country by promoting dialogue and public policy analysis.</p> <p>FUNDARA's mission is to study the development of the Argentine regions in order to achieve a long-term vision and a national project agreed by all. We want to inspire action plans, promote basic consensus to improve the quality of politics and thus the well-being of our society. We believe in the exchange of ideas with the aim of generating innovative policies that help to cement the progress of Argentina and the NOA region in particular.</p>	<p>Community Development Intern FUNDARA works to engage community members through dialogue and civic engagement. FUNDARA is seeking a community development intern to help engage the community through community outreach, training, and workshops. The intern will play an integral role in organizing solidarity movements, volunteers, and engaging youth in citizenship promoting activities. Interns may also have the opportunity to help plan and execute workshops based on sexual health, gender violence, and entrepreneurship. Intermediate level of Spanish required.</p>
