<i>Organizational Support and Logistics Internship</i>	
<b>Job Title</b>	Organizational Support and Logistics Intern
<b>Internship Focus</b>	Database Management, Organizational Effectiveness, Vulnerable Populations
<b>Community Partner</b>	Casa de los Niños
<b>Location</b>	Cochabamba, Bolivia
<b>Partner Profile</b>	The Casa de los Niños was established in 2008 and is essentially a small, self-contained community with 90 families. Its mission is to assist, support, and provide education to children with disadvantages who might otherwise be abandoned due to economic or family circumstance by providing support to their families through housing, job support, and a welcoming community, etc. Among the 90 families more than 15 of them have a father or a mother with HIV, and there are also 15 children with HIV. A large number of children in the community also deal with severe physical disabilities or chronic medical conditions. There is also a school within the community where about 140 attend, 90% of them being from the community and 10% coming from outside. It is essentially a small, self-contained community that seeks to provide support in any number of ways to its community members.
<b>Internship Description</b>	<p>Casa is seeking an intern that will help them determine what areas are lagging in terms of organization and efficiency. Basic knowledge of CRM systems and programs such as Excel is required. Intermediate level of Spanish required.</p> <p>The intern may be asked to create or update databases and/or organize campaigns to collect data to fill them. The intern may also look for ways to improve operating efficiency and organization (through technology, improved application of labor, organization and filing of information).</p>

<i>Website Management Internship</i>	
<b>Job Title</b>	Website Management Intern
<b>Internship Focus</b>	Web Design, Youth & Education
<b>Community Partner</b>	Asociación de Padres de Familia con Hijos con Discapacidad (Los Pipitos)
<b>Location</b>	Ciudad Sandino, Nicaragua
<b>Partner Profile</b>	Los Pipitos is an association of parents and relatives of children, adolescents, and young people with impairments or disabilities. It seeks alternatives to bring their children forward, procure socio-emotional educational attention, recognition as subjects of law; and under this perspective, to promote changes in society so that children with disabilities are respected and able to exercise their human rights. Our aim is to empower families to have a social impact in order to achieve a better quality of life for their children.

<b>Internship Description</b>	<p>Pipitos seeks an intern to support the continuous updating of the website of the Center for Learning for Life (CAV) of Ciudad Sandino, Nicaragua in coordination with personnel working in the center and families attending for care of their children in order to communicate what is done in the CAV.</p> <p>The intern will work with their supervisor at Pipitos to develop a work plan to help execute the internship program. The ideal candidate will have knowledge of web design and communication pages for social change; the ability to write informative articles; and experience with interviews and photography. The intern should also have respect for disabilities and human rights; respect for different cultures.</p>

<i>Health Record Management Internship</i>	
<b>Job Title</b>	Health Record Management Intern
<b>Internship Focus</b>	Health, Information Management
<b>Community Partner</b>	Western Organization of People Living with HIV / Ambassadors of Hope (WOPLAH)
<b>Location</b>	Kakamega, Kenya
<b>Partner Profile</b>	WOPLAH is a grassroots organization whose mission is to create good will for the most vulnerable children, families, and the community at large. WOPLAH envisions a society of health equity, in which all people can realize their full potential to enhance their lives.
<b>Internship Description</b>	<p>WOPLAH is seeking a Health Record Management Intern who would be responsible for complying and organizing the data that WOPLAH has collected in the local health facilities and among their community projects. Currently, WOPLAH is seeking assistance from this position to create a database management system where anyone can ask for information and it will be accessible and easy to locate.</p> <p>The ideal candidate will have experience in data collection and analysis; resource mobilization; public relations; public health; file management and organization; and confidentiality and client protection.</p>
